

JARC COVID-19 Policy for Reopening

The Jefferson Amateur Radio Club will start having open house at the clubhouse with the following stipulations. Due to the current situation with the pandemic we will follow the Jefferson Parish Guidelines as posted on their COVID-19 Guidelines web page.

The main rules that will apply to open house are as follows:

1. Use hand sanitizer when entering and exiting the clubhouse.
2. A mask is required to be properly worn at all times while in the clubhouse.
3. Maintain social distancing by staying 6 feet from others at all times.
4. When entering the club you must sign in on the COVID-19 Members Release form at the front door. Indicate the date and time you arrive and indicate the time when you leave the clubhouse.
5. No more than ten members can be in the clubhouse at any one time.
6. If additional members arrive they should let the members that are inside know they have arrived. The members inside should rotate out of the club on a 30 minute interval to allow the additional members access.
7. Nonmembers that wish to attend for the purpose of joining the club can enter if there are less than ten people in the clubhouse or rotate in when someone leaves the clubhouse if there are already ten people inside.
8. Members and nonmembers that are waiting outside must follow the Jefferson Parish COVID-19 Guidelines.
9. If at any time the Parish Guidelines become more restrictive then we will follow the more restrictive guidelines.
